

WHAT IS
SELFIE

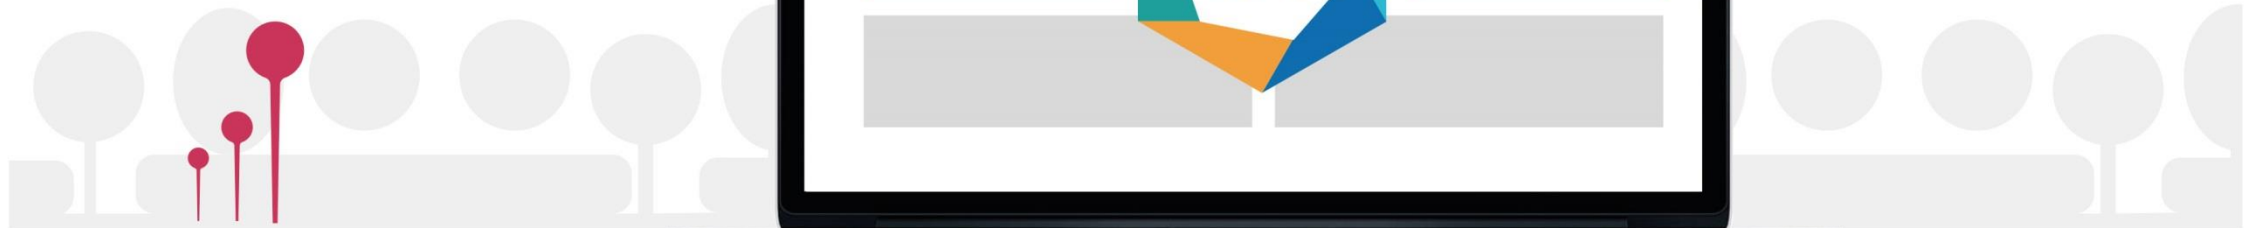

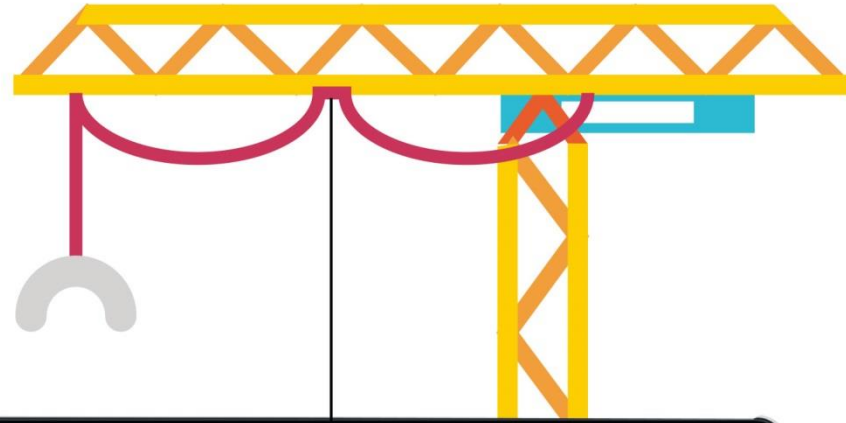

NEW FREE ONLINE TOOL

To help schools assess their use
of digital technologies for learning

SELFIE IS IN PILOT MODE!

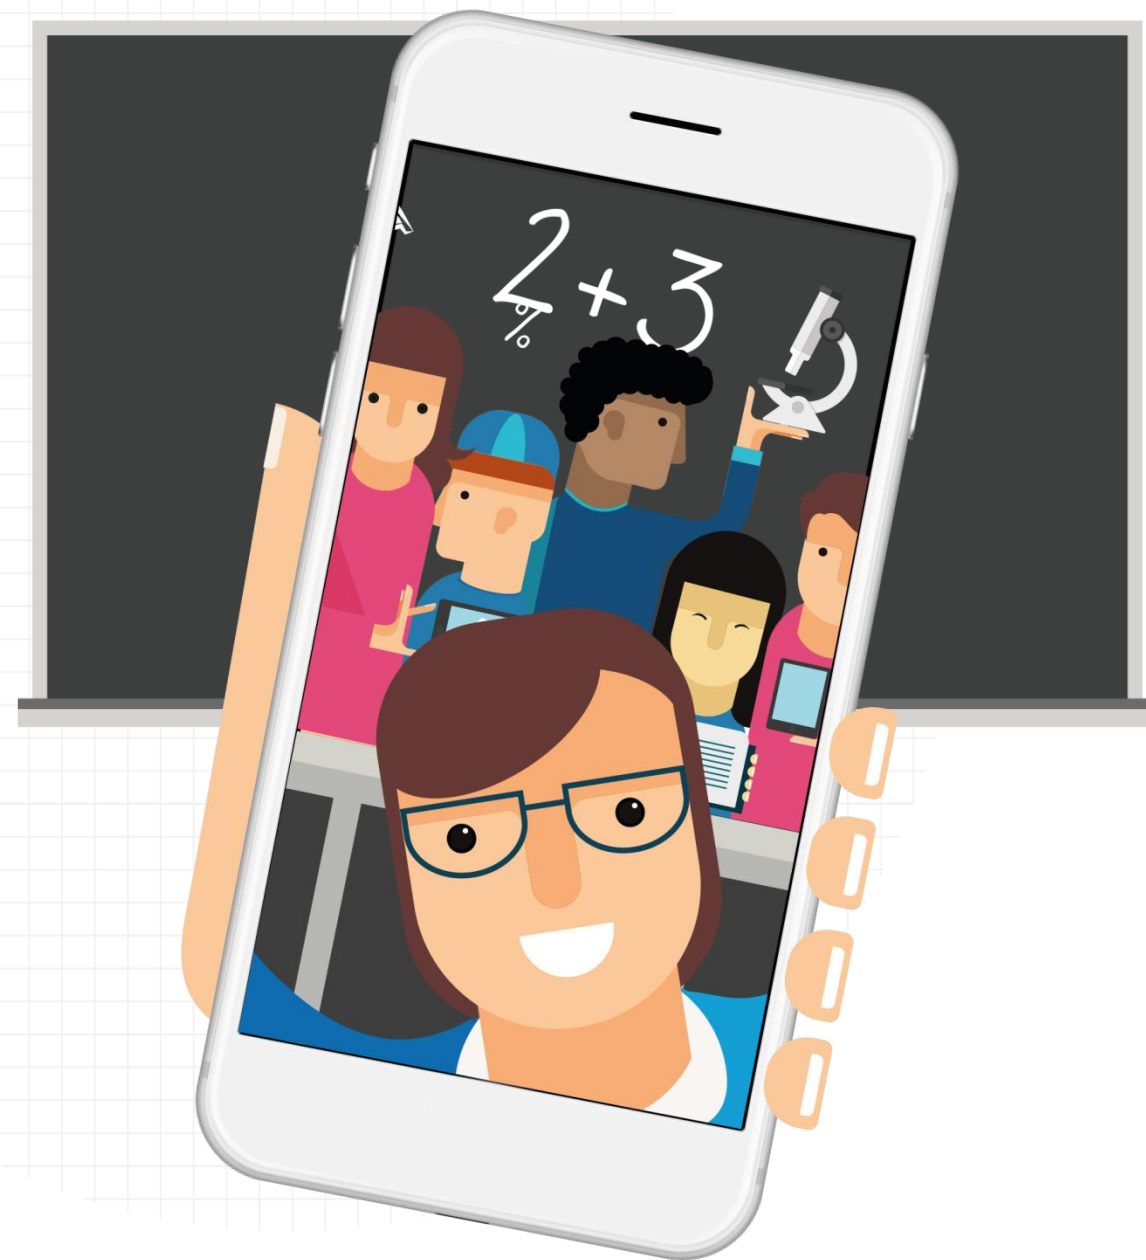

Self-reflection on Effective Learning by Fostering Innovation through Educational Technologies

SELFIE

is a free, online self-evaluation tool developed to help schools in Europe improve their use of digital technologies for teaching and learning

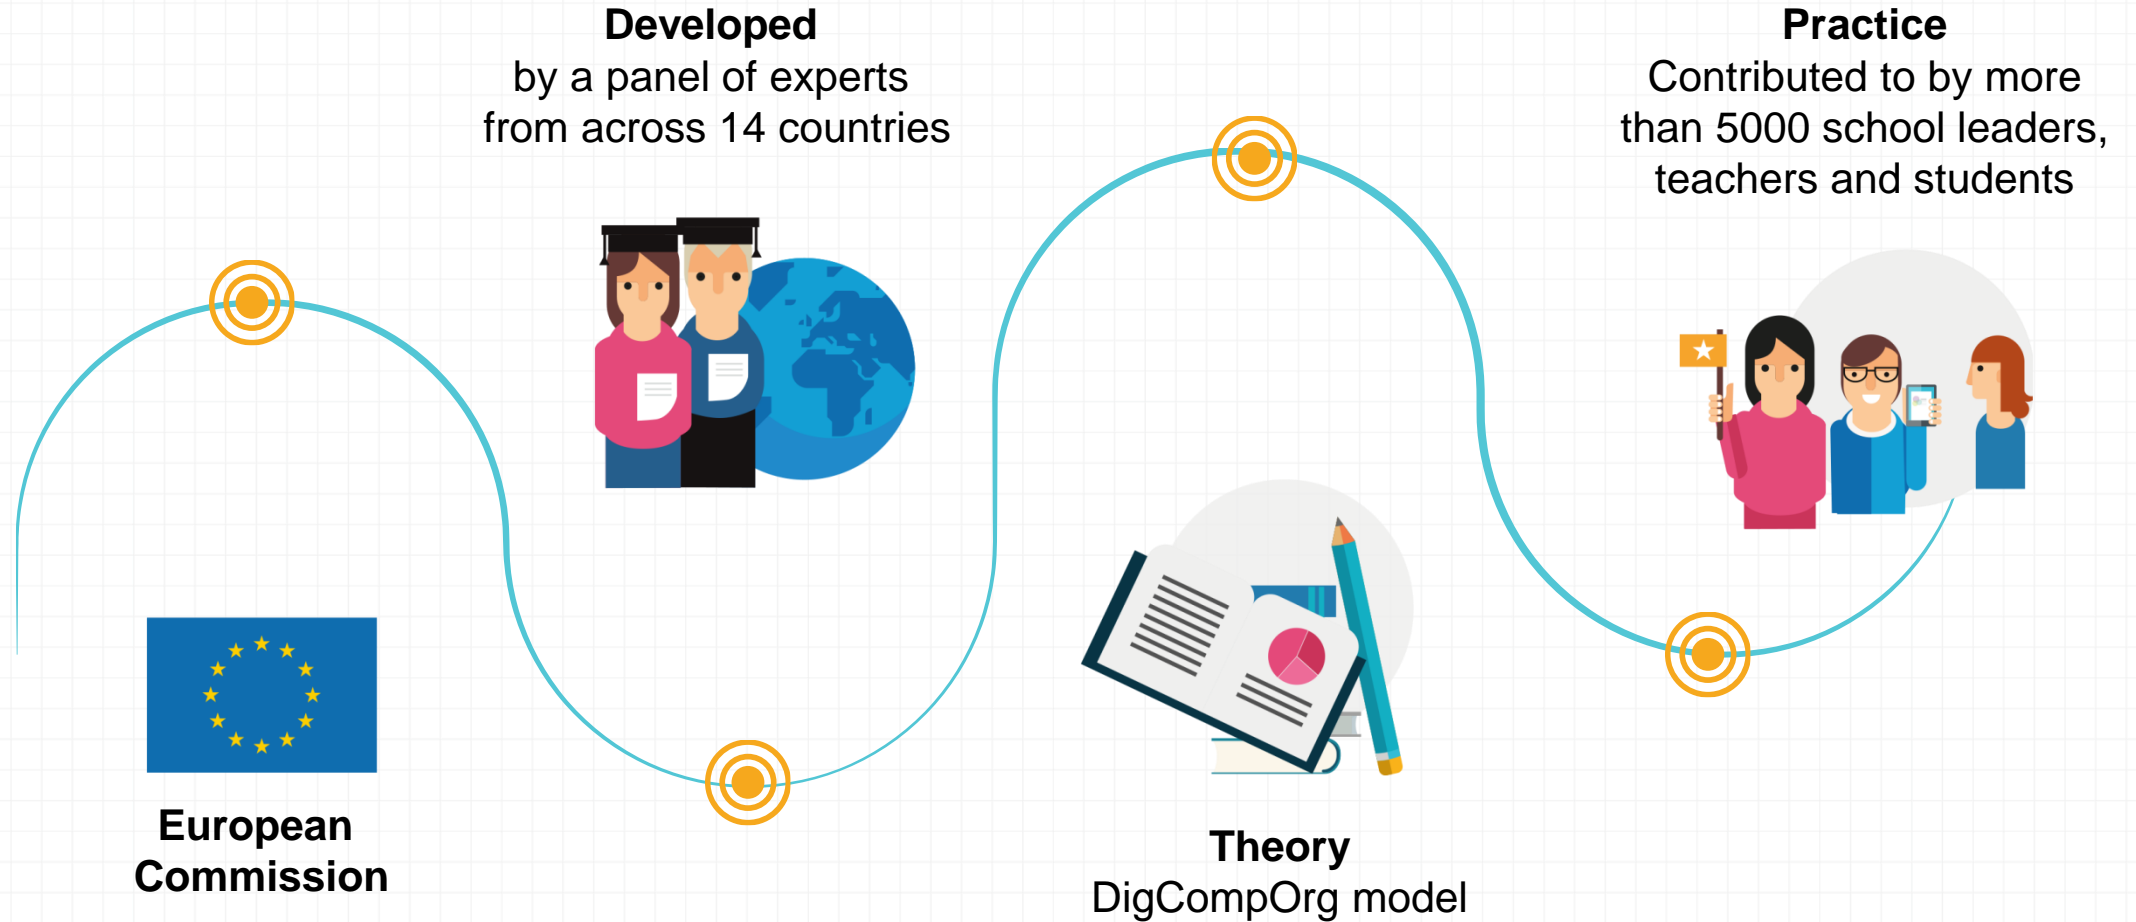

SELFIE

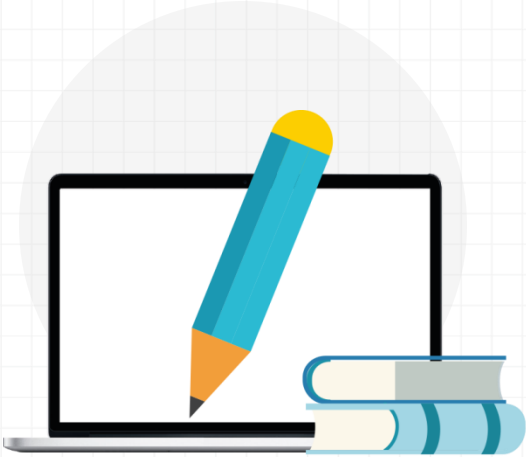

is about learning for the digital age

It's NOT about technology

SELFIE IN A NUTSHELL

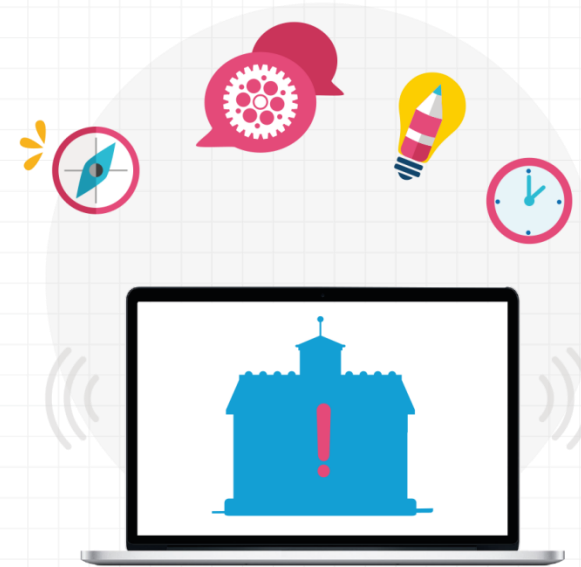

02 How it works?

HOW IT WORKS.

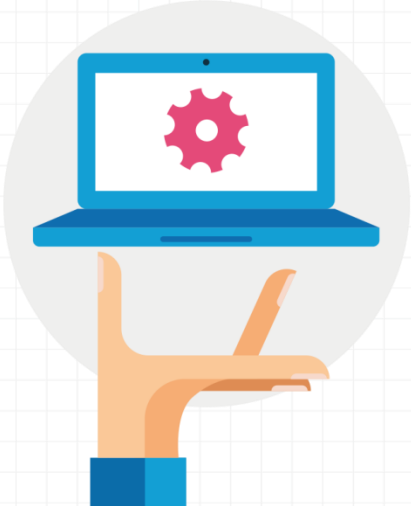

BEFORE

School assigns a person as the
SELFIE school coordinator

School creates an online profile
containing information such as
location, school type and enrolment

HOW IT WORKS. DURING

School coordinator logs onto **SELFIE** platform

School coordinator customises surveys according to the school context

School coordinator generates and distributes links

HOW IT WORKS.

AFTER

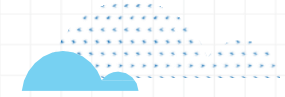

School coordinator generates and distributes the **SELFIE school report**

School coordinator uses the **report for dialogue** and to plan improvements

HOW TO TAKE THE BEST SELFIE OF YOUR SCHOOL

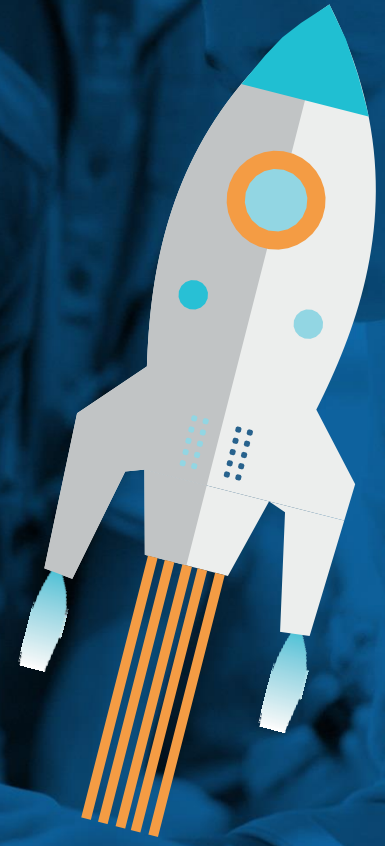

Involve as many school leaders, teachers and students as possible.

Ask them to provide honest answers and accurate information about their experience of using digital technologies for teaching and learning.
